ELEMENTS OF STYLE

Great design is all about balance. *Classic Glam* balances the structural quality of traditional furnishings with the stylishness of fashion. Curvaceous silhouettes add drama to sumptuously comfortable upholstered beds, sofas and dining chairs and are highlighted by details such as button tufting and nailhead trim. Sculptural and carved elements impart visual interest to drawer fronts, chair backs and sofa arm insets. These shapely forms wear creamy finishes highlighted with metallic touches of Pure Silver and Soft Radiance while Birdseye Maple surfaces add scene-stealing glamour. Luxurious yet livable, it's a direction that recognizes beauty in the details.

Graceful curves and glimmering metallic touches soften traditional silhouettes that might otherwise feel formal.

SHUT *Eye*

Exquisitely tailored, this fully upholstered bed conveys timeless elegance. Its tall headboard has a charming shape gracefully realized with tapered wings and inverted curves. Soft vertical tufting, stitched seam details and decorative buttons render it a must-have.
